He doesn't answer the door anymore  
he doesn't want to see you  
what can we do to gain his trust  
to clear his mind of the dust  
he doesn't speak a word and we dont know why  
he keeps it to himself  
he keeps it all inside  
oh please... oh please  
talk to me.. come on  
i need your love  
i need it bad  
baby talk to me... talk to me...  
His family don't know him

they never have  
his friends cant get near him  
he needs someone to love  
the grey of his life is the light of his mind  
he keeps it locked away  
he keeps it all inside  
oh please... oh please  
talk to me... come on  
i need your love  
i need it bad  
baby talk to me  
talk to me.  
please oh please  
oh please oh please  
talk to me
