I moved you pictures  
From my wall  
And I replaced them  
Both large and small

And each new day  
Finds me so blue  
Nothing  
Takes the place of you

I read your letters  
One by one  
And I still love you  
When it's all said and done

And oh, my darling  
I'm so blue  
Because nothing  
Oh, nothing  
Takes the place of you

I  
I write this letter  
It's raining  
On my window pain

I  
I feel the need of you  
Because without you  
Nothing seems the same

So I'll wait  
Until you're home  
Again, I'll love you  
But I'm all alone

And oh my darling  
I'm so blue  
Because nothing, oh, but nothing  
Takes the place of you
