Five long years
We have been together
Your love and understanding
Has brought us through stormy weather
I must admit girl
I haven't always been good
But you stuck by me
Just like you said you would

Chorus:
Hey I know, that enough is enough
But you shouldn't be talking 'bout
Givin' it up
Turn it loose
It might be right, it seems
The wrong decision will spoil all our dreams
So if you don't want to spoil our secret dreams,
Don't change horses
In the middle of a stream.
Giddy-up, giddy-up
Hi-o Yeah
Giddy-up, giddy-up
Hi-o Silver

I only did the things I thought I had to do
But if I hurt you baby
I'll make it up to you
I can't say I haven't done any wrong
Let him without sin
Cast the first stone

Chorus

Giddy-up, giddy-up
Hi-o Yeah
Giddy-up, giddy-up
Hi-o Silver

Let's forget about the past
Ride to a brand new day
Jumpin' over stumbling blocks

As they wander in our way
We got to keep goin'
'Til we reach our destination
Don't let nothin'
Hinder your inspiration

Chorus

Don't change horses
In the middle of a stream baby
Don't change horses
In the middle of a stream now
It might spoil our secret dream, child
It might spoil our secret dream, baby
Ride, ride, ride, ride
Oh girl, hey hey hey
Ride, ride, ride, ride
