I want to thank you for the seeds you've plant in me  
I want thank you for the earth roots my feet  
I want thank you for the sun that greens my leaves  
I want thank you for the mystery

But it seems to me that I'm about to be  
Feeling free

Ba, da, ba, ba, da

Please remember me when I close my eyes  
Please remember me when I scream my silent cries  
Please remember me when I'm not doing my best  
Will you remember me when my spirit needs to rest?

But it seems to me that I'm about to be  
Feeling free
