When I fall down, I need a helpin' hand  
When I lose my head, it's cause it's buried in the sand  
When I get stuck on myself, feelin' sorry for myself  
Will you help me grab a hold and please don't  
patronize my soul  
When I start to lose control, when I get irrational  
When I start to get too high, you see me come floating  
by, I say

Touch me in the mornin' sun, when I feel impossible  
Show me what is possible, teach me love invincible  
Touch me in the mornin' sun, when I feel impossible  
Show me what is possible, teach me love invincible  
Yeah, love invincible

Oh, when you're down, you need a helpin' hand  
And when you lose your head, I'll help you wash away  
the sand  
And when you get stuck on yourself, feelin' sorry for  
yourself  
I will help you grab a hold and I won't patronize your  
soul  
When you start to lose control, when you get irrational  
When you start to get too high, I see you come floating  
by, I say

Touch me in the mornin' sun, when I feel impossible  
Show me what is possible, teach me love invincible  
Touch me in the mornin' sun when I feel impossible  
Show me what is possible, teach me love invincible

C'mon now, c'mon now, c'mon now, c'mon now  
C'mon now, show me that you feel it, show me that you  
feel it

When we're down, we need a helpin' hand and when  
we lose our heads  
It's cause they're always buried in the sand  
And when we get stuck on our selves, feelin' sorry for  
ourselves  
Will you help us grab a hold and please don't patronize  
our souls

When we start to lose control, when we get irrational  
When we start to get too high, you see us come  
floating by, I say

Touch us with the mornin' sun, when we feel impossible  
Show us what is possible, teach us love invincible  
Touch us with the mornin' sun, when we feel impossible  
Show us what is possible, teach us love invincible

Touch us with the mornin' sun, when we feel impossible  
Show us what is possible, teach us love invincible  
Touch us with the mornin' sun, with the mornin' sun  
In the mornin', c'mon now

Love invincible, yeah, love invincible, yeah  
Love is invincible, love is invincible
