I wake up in the morning its six o'clock  
they say there may be rain but the sun is hot  
I wish I had some time just to kill today  
and I wish i had a dime for every bill I've got to pay  
some days you lose you win  
and the water's as high as the times your in  
so I just back in there where I learned to swim  
try to keep my head above it the best I can  
that's why,

here I am, waiting for this storm to pass my by  
and that's the sound of sunshine coming down  
and that's the sound of sunshine coming down

one two three, uhuh

I saw my friend bobby I said "what's up man"  
you got a little work or twenty to lend  
I opened up my hand he said "i'm glad to see  
they can take away my job but not my friends"

here I am, waiting for the storm to pass my by  
and that's the sound of sunshine coming down  
and that's the sound of sunshine coming down

I wanna go where the summer never ends  
with my guitar on the beach there with all my friends  
the suns so hot and the waves in motion  
and everything smells like sun tan lotion  
the ocean, and the girls so sweet  
so kick off your shoes and relax your feet  
they say that miracles are never seizing  
and every single soul needs a little releasing  
the stereo bumpin till the sun goes down  
and I only wanna hear that sound

that's the sound of sunshine coming down  
that's the sound of sunshine coming down

I said you're the one I wanna be with  
when the sun goes down

I said you're the one i wanna be with  
when the sun goes down  
singin you're the one i wanna be with  
when the sun goes down

that's the sound of sunshine coming down  
that's the sound of sunshine coming down
