D'ya think its fair to walk right up
Take my life and fuck it up
I dont care if every jobs been done
I dont care if every wars been won

I met her down at the Camberleese
She took my life i could not breathe
With every breath i thought i'd had too much
With every breath i thought i'd had enough

Woouooooaaaaahh she's acting so evasive
Almost asking me to take her
Woouooooaaaaahh i think you're special
Woouooooaaaaahh so very special

But then you go and...

Fuck it up, Fuck it up, Fuck it up, Fuck it up,!

D'ya think its fair to walk right up
Take my life and fuck it up
I dont care if every drops been drunk
I dont care who's line i've done

Woouooooaaaaahh she's acting so evasive
Almost asking me to take her
Woouooooaaaaahh i think you're special
Woouooooaaaaahh so very special

But then you go and...

Fuck it up, Fuck it up, Fuck it up, Fuck it up,!
Fuck it up, Fuck it up, Fuck it up, Fuck it up,!

Woouooooaaaaahh i think you're dangerous
Woouooooaaaaahh so very dangerous
Woouooooaaaaahh i think you're special
Woouooooaaaaahh so very special

But then i go and...

Fuck it up, Fuck it up, Fuck it up, Fuck it up,!
