Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna have a goodtime
goodtime goodtime

Why dya have to go and thro it away?
Why dya have to go and spoil the chance of a lifetime
when we were having such a goodtime

The days were endless we were blown away
makes no illusion but it saves on friction oh yeah

Anything you want anything you need
You can have it all if you want it now
and forever

And now you know its really startin
And now you know gotta get away

Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna have a goodtime
goodtime goodtime

Why dya have to go ruin my day
why dya have to try and make me pay this is my time
Don't you know its high time
Don't you know its high time
You came along and then i led you astray
You took my heart and then you threw it away such a
hard time

Anything you want anything you need
You can have it all if you want it now
And forever

And now you know its really startin
And now you know gotta get away

Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna

Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna have a goodtime
goodtime goodtime

Step into the parlour ladies and gentlemen
Hold on for as long and as tight as you can
But don't go on the merry go round

Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna
Tonight im gonna im gonna im gonna have a goodtime
goodtime goodtime
