Woh-oh wohoh switchin on the porno waiting for an x-rated dream-eeeam
Its better than the nightmare pop thats always on your screen
Its not clean, its better in the future its better for you and me. hehehe!
The've taken all the money and flooding all the highstreets.

Wohoh - oh theyre stealin off your daughters yes its lambs to the slaughter
(and in time) and you'll know just who you are, a fool to me,
Parasites of society (lose your mind) now you'll know just who we are!

Wooooohoooo!
Kill the pop scene, we'll kill the pop scene, kill the pop scene,
So what dya think about that? fuckin meglomaniac!

HEY, NOW, HEY, NOW

Its not clean. its dirty like my long johns stewing inside your brain.

Wohoh - oh theyre stealin off your daughters yes its lambs to the slaughter
(and in time) and you'll know just who you are, a fool to me,
Parasites of society (lose your mind) now you'll know just who we are!

Wooooohoooo!
Kill the pop scene, we'll kill the pop scene, kill the pop scene,
So what dya think about that? fuckin meglomaniac!

Kill the pop scene, we'll kill your pop scene, kill the pop scene,

Soldiers ready to attack! now you better watch your
backs!

HEY, NOW, HEY, NOW

Kill the pop scene, kill the pop scene, we'll kill your pop
scene,
So what dya think about that? fuckin meglomaniac!

Kill the pop scene, we'll kill your pop scene, kill the pop
scene,
Soldiers ready to attack! now you better watch your
backs!

Kill the pop scene, kill the pop scene, we'll kill your pop
scene,
So what dya think about that?!!
