Cowboys want it  
Cowgirls got it  
That's the way it's always been

Ever since God invented saturday night  
Th' cowboys bit moonbeams in the neon lights  
Set a jukebox in the corner  
And a band up on the stage  
Gave us all a little getaway  
From a hard day on the range

Cowboys want it  
Cowgirls got it  
That's the way it's always been  
There's a round-up  
Every sundown  
That's when they start stoppin' in  
Cowboys want it

The ride goes on and on for better or worse  
One thing aint changed since the first boot hit the dirt  
Circled in the garden  
Saw that apple on the tree  
And Adam took a bite  
And took another look at Eve

Cowboys want it  
Cowgirls got it  
That's the way it's always been  
There's a round-up  
Every sundown  
That's when they start stoppin' in  
Cowboys want it

Cowboys need love every now and then  
Cowgirls got love, every one of them
