When Iâ'm around you
Everything is so perfect

When I touch you
Life is no longer here

When I lay next to you
All my problems go away

When you touch me
I screamÂ...

Murder
Murder
Murder in the bedroom

Murder
Murder
Bloods going everywhere

Murder
Murder
This ladies crazy

Murder
Murder
Get me out of here

Murder was your name
And murdering was your game

Poison or drugs
Didn't matter they ended up the same

DEAD!

I screamÂ...

Murder
Murder
Murder in the bedroom

Murder
Murder
Bloods going everywhere

Murder
Murder
This ladies crazy

Murder
Murder
Get me out of here

Please don't do this one more time
Please spare my life, here's a dime

Your gonna go jail
This fucking time

Because I screamed...

Murder
Murder
Murder in the bedroom

Murder
Murder
Bloods going everywhere

Murder
Murder
This ladie's crazy

Murder
Murder
Get me out of here

You thought you were smart
Covering all your tracks

You just didn't watch your back

I saw the whole thing
As the guy screamed...

Murder
Murder
Murder in the bedroom

Murder
Murder
Bloods going everywhere

Murder
Murder
This ladies crazy

Murder
Murder
Get me out of here

I turned you in
Your all fed up

This is the last time
I fill your cup

You've killed Mickey and my great friend Ben
But instead of killing anney
Will you kill me instead?

As you killed me I screamed...

Murder
Murder
Murder in the bedroom

Murder
Murder
Bloods going everywhere

Murder
Murder
This ladie's crazy

Murder
Murder
Get me out of here
