WeÂ're friends right?  
Then why do I still get these nightmares at night

My heart knows  
How much my love shows

Why canÂ't you see it  
I know your not blind

My heart knows  
How much my love shows

Why canÂ't you see it  
I know your not blind

My girlfriend dumped me  
What a shame

My girlfriend dumped me  
Am I to blame

My girlfriend dumped me  
She was flirting with other guys

Was that the reason  
Or was that all a lie

My girlfriend dumped me  
How ugly can I be

My girlfriend dumped me  
Oh god why cant she see

Without you  
IÂ'm goin no where  
IÂ'm goin no where  
Fast!  
(Silence)

Please donÂ't tell me

This is our end

Please just tell me to go to bed

When I touch you  
I feel our memories past  
I savor that moment  
But it never lasts

My girlfriend dumped me  
What a shame

My girlfriend dumped me  
Am I to blame

My girlfriend dumped me  
She was flirting with other guys

Was that the reason  
Or was that all a lie

My girlfriend dumped me  
How ugly can I be

My girlfriend dumped me  
Oh god why cant she see

Your smart ass comments  
Were cute for a while

Until I started  
To go in denial

You still love me, I hope  
So one day we can joke

About thisÂ....  
About thisÂ...  
About thisÂ...  
This and this and this  
About usÂ...  
About meÂ...

Without you  
IÂ'm nothing  
IÂ'm goin nowhere  
IÂ'm goin nowhere  
Fast!  
(Silence)

My girlfriend dumped me  
What a shame

My girlfriend dumped me  
Am I to blame

My girlfriend dumped me  
She was flirting with other guys

Was that the reason  
Or was that all a lie

My girlfriend dumped me  
How ugly can I be

My girlfriend dumped me  
Oh god why cant she see
