Please god don't take this one away from me  
Again

I can't handle it

Your driving, me insane,  
With all, your little games

I'm dieing inside right now  
Why did you take it now?

It could have been me  
Coulda been, Shoulda been, Woulda been

Maybe then you can spare my life  
Bring it back  
Please

I go to church  
I give my money  
I pray to you  
Just bring back my huney

I say to you  
God please, God please,  
I'm on my fucking knees  
Bring her back now  
God please God please God please

You're killing me inside  
Stabbing me with your knife

You just killed  
My future wife

There better be a good reason  
Behind this plan of yours

But isn't there always  
A plan?

I go to church

I give my money  
I pray to you  
Just bring back my huney

I say to you  
God please, God please,  
IÂ'm on my fucking knees  
Bring her back now  
God please God please God please

DonÂ't you see  
What your doing to me

Cant you see, Cant you see  
It shoulda been me  
Shoulda been, coulda been, woulda been  
ME!

Please just bring her back, in my life  
Is that so much to ask  
Because:  
I go to church  
I give my money  
I pray to you  
Just bring back my huney

I say to you  
God please, God please,  
IÂ'm on my fucking knees  
Bring her back now  
God please God please God please  
It shoulda been me  
Shoulda been, coulda been, woulda been  
MeÂ...
