God didn't do it  
Neither did I

How can I change it  
When you flirt with other guys

Not my fault  
That's what you say

It was never you  
Jon your great

You tell me that  
It hurts even more

You tell me that  
It doesn't heal my sores

I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry

I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry

You're the needle to my thread  
The needle in my eye

You're the paint to my brush  
The knife that makes me die

We have so much in common  
Between you and I

Please don't leave me  
Or I will probably die

I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry

I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry

You say there will be more  
Just like you

That's impossible  
That's untrue

But you're the only thing  
I didn't want lose

Fuck my life now  
It's turned to shit

I want you back now  
Susan Yankavic

Please oh god  
Bring her back to me

She's the only thing  
I really want to see

You've broke my heart  
Once before

I'm still not over you  
Because I still adore....

You...  
Forever  
You forever  
And ever

AHHHHH!

I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry  
I'm lost for eternity in your eyes  
I'm lost for eternity, it's making me cry

I'll fight for you  
Through thick and thin

I'll fight for you  
Until I break my shin

I love you so dearly  
This must be getting old

But it's the truth  
That I behold

Iâ'm lost for eternity in your eyes  
Iâ'm lost for eternity, itâ's making me cry

Iâ'm lost for eternity in your eyes  
Iâ'm lost for eternity, itâ's making me cry

Iâ'm lost for eternity in your eyes  
Iâ'm lost for eternity, itâ's making me cry
