Swing, Swing!
Swing, Swing!

Swing, Swing,
That old swing by the tree,
Swing, Swing,
Baby, just you and me,
Every step we take we're movin' in,
C'mon, I'm already gone,
Get over here before it's dawn,

Swing me,
What are we gonna do?
Swing me,
Before we get through,

Swing, Swing!
Swing, Swing!

Make it all the way to Denver,
Tell me, You ain't with her,
Just start swingin' me,
Flyin' high above you,
(Swing, Swing)
Don't worry, I love you,
(With me)

Get over here and swing, swing,
Swing, Swing,
That old swing by the tree,
Swing, Swing,
Baby just you and me,

Swing, Swing!
