You've been trying to see,
What I am,
You've been trying to be,
All you can,
So try to impress me,
If you can,
But it won't work this time,
I've grown stronger now,
You don't even know how,
Grow up,
Be somebody,
Because you don't know me anymore,
And you've been makin' my heart sore,
You've expended your love,
You've used me like a telephone,
And you've wasted me like your own,
And I'm tired of being someone I'm not,
Because you think you know alot,
But you don't,
Oh go home,
You've expended your love,
You've spended your love,
We're done,
Oh,
We're done,
Stunning I may be,
But you've said that over again,
Your like a posion,
In me,
You've expended your love,
And I'm not proud,
That's no doubt,
This might seem like a nightmare,
But I've learned not to stare,
At those who can't find a way,
To not spend a girl all away,
And I know you know now,
You've expended your love,
You've expended your love,
So go home,
Go home.
