Law Of The Ancients

Infinite pain with it's nebulous cause  
Enigmas that comes from within  
Cure devoted confused soul  
Holding the key to unspeakable madness

The truth is float  
Beyond my eyes  
Avoid my struggle within  
Domain of mental confusion  
Domain of the Ancients law

The truth is float  
Beyond my eyes  
Demons that controls my mind  
Spirit with axe in mental confusion

In the begining  
Of decisive battle  
You shall see  
A soul beyond body  
Subject matter  
Made of nothing  
Afected by  
Ancient potion

Soul determination is iminant  
Behind the eyes of the old man  
You shall see the answers to the final purpose  
Ancient knowledge devoted by ancestors
