Pathfinder

Regardless incidences and changes
The things that rules the world
Confused with existence of God
Led by instincts of an native path

Scientists, theologists, searching for
Supreme being, master of all visual forms

What am I? My eyes are under the veil
Seeker of truth, Pathfinder

There's only one earth life
Free choice to live or die
The decision is to percieve
Sense of life, final cognition

Scientists, theologists, searching for
A supreme being, master of all visual forms

Scientists, theologists, searching for
A supreme being, master of all visual forms

As I die, my eyes are covered with veil
Veil of darkness, Pathfinder!!!
