When The Day Became A Night

From the heart of the earth  
Ashes covered the ancient culture  
Fear, panic, despair  
Toxic air caused the blood cough

Emotional memories  
Visions from the past  
So deep in genetic code  
Music roused the daydream

Citizens burned and suffocated  
Bodies are mummified  
With eternal stratum of earth's blood  
Life stops in instant and everywhere... DEATH!!

Emotional memories  
Visions from the past  
So deep in genetic code  
Music roused the daydream

Citizens burned and suffocated  
Bodies are mummified  
With eternal stratum of earth's blood  
Life stops in instant and everywhere... DEATH!!

I saw the horror they endure  
At the moment of DEATH  
When the day became... night!!
