But It Is Only  
The Look On Your Face  
But It Is Only  
Never The Look Of Disgrace  
But It Is Only  
The Smile All The Time  
But It Is Only  
The Ways Of Your Prime

Oh When I Leave  
You Look So Sad  
Oh When I Leave  
You Never Look Mad  
Oh When I Leave  
I Think Of You  
Oh When I Leave  
But Only If You Knew

Bored  
Nothing To Do  
So I Thought Of You  
Always Thinking Of You  
Every Class  
Can't Stop Thinking  
Can't Wait For  
That Bell To Ring  
So I Can See You  
So I Can Hug You  
I'm Happier  
When Your Around

All The Time  
Your On My Mind  
All The Time  
I Dream Of Us  
All The Time  
Seeing Each Other  
All The Time  
Never Want You To Go
