Ashes are flicked onto the ground  
As I walked into the room  
I stare up at you  
Wondering why  
You don't understand  
Anything that I say to you  
Get it through your head  
This isn't you  
You shouldn't be in this position  
I should  
You should be the one  
Asking me why I'm doing the  
Things that I do  
This is fucked up  
Maybe I'm dreaming  
But this is too real  
To be a dream  
Or so it seems  
That it never ends  
The way you want it to  
Why does it have to be this way  
Once again this is fucked up  
One day you'll come to reolize  
That you shouldn't  
You shouldn't be doing  
The things that you do
