If it comes down
To the oint where
Your only option
Is suicide
Don't delay the
Fact that you are gone

Inside that plane
You tossed and turned
But now it's time
You crashed and burned

The plane is falling
Faster to the
Ground and your now
Falling with it
Catch your breath or
You'll burst into flames

Inside that plane
You tossed and turned
But now it's time
You crashed and burned

It's Falling Down
It's Falling Down
It's Falling Down
To The Ground
To The Ground
To The Ground
It Hits Your Town
It Hits Your Town
It Hits Your Town
Without A Sound
Without A Sound
Without A Sound

Inside that plane
You crashed and Burned
But now it's time
You Crashed and burned

Dismantle that plane
Inside my heart
You'll know it's time
To press restart
