I have to despise  
All of your lies  
All the yelling  
There's no more telling  
If you have died  
Or just fucking with my life.

Inside that plane  
You tossed and turned  
But now it's time  
You crashed and burned

We look at this  
Tragic event  
Who could have done this  
Or even ment to  
Kill all those people  
Who have died  
There is no trace  
Of where there bodies lied

Inside that plane  
You tossed and turned  
But now it's time  
You crashed and Burned

Now it's over  
You crased and burned  
Right into a blackhole  
Inside my heart
