I am all done
With the same old bitches.
It's feels weird done
And it makes me cry all the time.

So go fuck yourselves
For not being there for.

I keep coming back
To the same old girlfriends.
Such a waste of time
I could be with somebody else.

So go fuck yourselves
For not being there for me.
For my heart you broke
Everytime it's no.

I am all done.

When it's all done
You'll be the one coming to me.

So go fuck yourselves
For not being there for me.
For my heart you broke
Everytime it's no.
And go fuck yourselves all you girls.
