Fuck you you hoe
You will never be with joe
So just give the fuck up
your like a little pup
you think your fucking slick
but for two dollars you suck dick
your a fucking slut
and you like it in the butt

Fuck You Marley
You Stupid Dyke
Cause your not the one
That joe likes

I dont fucking lie
I hope you die
If you dont croke
on the cock you'll choke
Your a fucking jew
Steph's gunna beat the shit out of you
Your no good in the sack
Steph says for you to watch your back

Fuck you marley
You stupid Dyke
Your not the one
That Joe Likes
