(I wait for myself and face the day but I held the hope
to re-choose something,
I care life, and about the steps cause' my ways looked
easy to go)

(No, even I do believe when I see you, having to take my
time,
spent some days alone, thinking by myself will be over,
so soon.)

(I think of you
and that alone is enough
to make the tears start to flow now
I always, always wish
that these fleeting thoughts
would reach you...)

dakedo ano toki kara mayoi wa kieta yo

(I've known all too well about pretending to be strong.
But since then, my doubts have vanished.)

(There's definitely things I want to show you
And so many words I want to hear
I want to see all sides of you, when you laugh and cry
So I'll stop waiting and seize my "chance.")

(I think of you,
and I feel like that alone is enough
to make my heart grow stronger.
I always, always wish
that these fleeting thoughts
would reach you...)

and that alone is enough
to make the tears start to flow now
My distant voice can't reach you now, but so that
someday
it definitely will...
