With a quivering voice you spoke the word  
Shadow came between us, sharp as a sword  
Gone is my gladness and vanished my pride 'cause  
luck didn't stay on our side

Leaped in luxury, I cried for the moon but the game is  
out, it all ended too soon  
Awakening came as the belt from the blue  
At last from a sheen to be true

Oh my ruthless queen, you would steal the treasure of  
my dream  
It's the twinkle in your eyes that took me by surprise  
Oh my ruthless queen, I just can't accept our love has  
been

I bear you no malice, you show no remorse  
Love is dead and gone, it was no endless source  
Your sudden leave was the finishing stroke,  
considering everything grow

Oh my ruthless queen (Oh my ruthless queen), you  
would steal the treasure of my dream (Treasure of my  
dream)  
It's the twinkle in your eyes (Twinkle) that took me by  
surprise (Take a dream my ruthless queen)  
Oh my ruthless queen, I just can't accept our love has  
been  
Pease don't tell (Pease don't tell me) me you couldn't  
care less (You couldn't care less)  
Well I feel like a ship in distress (I feel like a ship in  
distress)  
Oh my ruthless queen, I just can't accept our love has  
been

I can't bear to see you go but it's all part of the show  
you perform  
Letting romance fade little by little, our love was  
precious but too brittle

Oh my ruthless queen (Oh my ruthless queen), you

would steal the treasure of my dream  
It's the twinkle in your eyes (Twinkle) that took me by  
surprise (Take a dream my ruthless queen)  
Oh my ruthless queen, I just can't accept our love has  
been  
Pease don't tell (Pease don't tell me) me you couldn't  
care less (You couldn't care less)  
Well I feel like a ship in distress (I feel like a ship in  
distress)  
Oh my ruthless queen, I just can't accept our love has  
been
