Please, tell me the reason  
Behind the colors that you fly  
Love just one nation  
And the whole world, we divide

You won't say, you're sorry  
There is no other choice  
God bless the people now  
Who cannot raise their voice

We can chase down all our enemies  
Bring them to their knees  
We can bomb the world to pieces  
But we can't bomb it into peace

Whoa, we may even find a solution  
To hunger and disease  
We can bomb the world to pieces  
But we can't bomb it into peace

Violence brings one thing  
More more of the same  
Military madness  
The smell of flesh and burning pain

So I sing out to the masses  
Stand up if you're still sane  
To all of us gone crazy  
I sing this one refrain

We can chase down all our enemies  
Bring them to their knees  
We can bomb the world to pieces  
But we can't bomb it into peace

Whoa, we may even find a solution  
To hunger and disease  
We can bomb the world to pieces  
But we can't bomb it into peace

And I sing power to the peaceful  
Love to the peaceful y'all

Power to the peaceful  
Love to the peaceful y'all

We may even find a solution  
To hunger and disease  
We can bomb the world to pieces  
But we can't bomb it into peace

Say we can chase down all our enemies  
We can even bring them to their knees  
We can bomb the world into pieces  
But we can't bomb it into peace

And I sing power to the peaceful  
Love to the peaceful y'all  
I sing power to the peaceful  
Love to the peaceful y'all  
I sing
