So many times, people turn their backs to you  
'Cause they don't wanna see what's inside you  
'Cause lookin' inside of you they might realize  
There's somethin' inside of them they might not wanna  
find

But it ain't about who ya love, no  
See it's all about do ya love  
Do ya love, do ya love

See it ain't about who ya love, no no no  
See it's all about do ya love  
Do ya love, do ya love

Well, well, well, well, sunshine and loveliness  
Ain't nobody feelin' no ugliness tonight  
See, ain't it fine like sippin' sweet Georgie wine  
See, I'm just chillin' with these friends of mine

I ain't tryin' a bother you, so why ya gotta bother me?  
What goes on in your bedroom ain't no mess to me  
You say, "Your God don't like my God 'cause you don't  
like my friends"  
But your friends tryin' to kill a man and I don't  
understand

'Cause it ain't about who ya love, no  
See it's all about do ya love  
Do ya love, do ya love

See it ain't about who ya love, no no no  
See it's all about do ya love  
Do ya love, do ya love

Well, well, well, well, sunshine and loveliness  
Ain't nobody feelin' no ugliness tonight  
See, ain't it fine like sippin' sweet Georgie wine  
See, I'm just chillin' with these friends of mine

Ooh, one two three  
Say, "Yeah", say, "Yeah, feels so good to me"  
Ohh, and ya one two three

Say, "Yeah", say, "Yeah, feels so good"

I say do it at home or on the street  
With a drag queen don't matter to me  
It ain't about sex or havin' degrees  
Your pedigree don't matter to me  
About who ya love, who ya love  
See it's all about do ya love, do ya love

Well, well, well, well, sunshine and loveliness  
Ain't nobody feelin' no ugliness tonight  
See, ain't it fine like sippin' sweet Georgie wine  
See, I'm just chillin' with these friends of mine

Sunshine and loveliness, yo  
Ain't nobody feelin' no ugliness tonight, yo  
Ain't it fine like sippin' sweet Georgie wine  
See, I'm just chillin' with these friends of mine, yeah

In the sunshine  
Bring it all, baby, you're mine  
In the sunshine, yeah  
See it feels good  
See it feels good, it feels good

Say, "C'mon, c'mon"  
Say, "C'mon, c'mon"  
Say, "C'mon, c'mon"  
Say, "C'mon, c'mon"  
In the sunshine, yeah

Pretty little baby, baby mine  
Pretty little baby, baby, ba-ba-baby, baby, yeah  
Oo, in the sunshine, yeah  
Sweet little baby, aren't they? Look happy
