"Feelin' Free"

I want to thank you for the seeds you've plant in me
I want thank you for the earth roots my feet
I want thank you for the sun that greens my leaves
I want thank you for the mystery

[Chorus]

But it seems to me that I'm about to be
Feeling Free

Ba-da ba-ba-da...

Please remember me when I close my eyes
Please remember me when I scream my silent cries
Please remember me when I'm not doing my best
Will you remember me when my spirit needs to rest

[Chorus]
