We want freedom of speech
But we all are talkin' at the same time
We say we want peace
But nobody wants to change there own mind
No they don't

So it goes on and on and on and on and on
For a 1000 years, a 1000 years I say
And it goes on and on and on and on and on
A language are your tears, are your tears

Everybody wants to live life of kings and queens
But nobody wants to stay in a cloud of fears
Everybody wants to tear there neighbor's hello
But nobody wants to listen to how they feel

So it goes on and on and on and on, and on
For a 1000 years, a 1000 years I say
And it goes on and on, and on, and on, and on
Well, language are your tears, are your tears

What I got to say right now is love enough yeah?
Love enough yeah? Love enough?
Can you love some more?
Is the love enough? Yeah
Love enough yeah? Love enough?

Can you love some more?
Is your love enough? Yeah
Your love enough? Yeah
Is your love enough?

Can you love some more ?
Is your love enough? Yeah
Your love enough? Yeah
Is your love enough?

A tell me can you love some more?
It goes on and on and on and on and on
For a 1000 years I say
And it goes on and on and on and on and on
Well, language are your tears, are your tears

Gentleman

What Mother Nature gives
Mankind refuse to let live
Taking the universe in their own hand

Oh yes now, start targeting the depositions
Charging the negative
Causing the most unusual circumstances

Everyday we rise back
I love to fights like again
Hoping that's our hearts
Where we see sleep our love tonight

Blessed words we speak again
Of the words to do my friend
For us to live in this dark garden
Of Eden

So tell me is your love enough? Yeah
Your love enough? Yeah
Is your love enough?

Can you love some more ?
Is your love enough? Yeah
Is your love enough? Yeah
Is your love enough?
Oh tell me, tell me, tell me

What language do you laugh in?
What language do you cry in?
What language do you dance in
Make romance in

What language do you make love in?
Oh, pray to above him
What language are your fears?
What language are your tears?

Believe in God's existence
