"Love'll Set Me Free"

Seems like everyday gets a little bit longer
Seems like yesterday I was a little but stronger
But there ain't nothin'
Nothin' I can't do
But to hold my ground
Try not to come unwound
Don't wanna be let down
But it ain't easy
Doin' hard time
For somebody else's crime

[Chorus]

Hate is what got me here
But I know that love sweet love is gonna set me free
All the hatred in the world is what got me here today
But I know that love is gonna set me free

Man I been away for so long now
I ain't seen no daylight for God knows how long now
I come out fightin' when I hear that bell ring
I always hear my name
But I'd love to feel the rain come down one mo time
Wash away my pain
Love like a hurricane

[Chorus]
