I received a letter that you wrote me
On a dark, cold and cloudy day
Reminding me on the side of the road
You find the light, you'll find a friend, you'll find a way

But today I'm felling all broke down
I ain't got the faintest clue 'bout what to do
Can't comprehend the situation at hand
So I try my best, just to get back home to you

Gonna keep on walking now, yes I will
Gonna keep on talkin' loud, yes I will
Gonna keep on singin' 'bout it, yes I will
Gonna keep on ringing out

Keep on walking now
Keep on talkin' loud
We gonna keep on singin' loud
Now break it down

I believe that what you sing to the clouds
Will rain upon you when your sun, has gone away
And I believe, that what you dream to the moon
Will manifest, before you rest, another day

So stay strong, and sleep long when you need to
Let the mornin' take you right on through the day, yeah
And when you find you're at the end of the road
You just lift your head up spread your wings and fly
away, come on y'all

Gonna keep on walking now, yes I will
Gonna keep on talkin' loud, yes I will
Gonna keep on singin' 'bout it, yes I will
Gonna keep on ringing out

Keep on walking
Give me some guitar

When you're lost and alone
That's when the rainbow comes
When you're lost and alone

That's when the rainbow comes

Gonna keep on walking now, yes I will
Gonna keep on talkin' loud, yes I will
Gonna keep on singin' 'bout it, yes I will
Gonna keep on ringing out, come on y'all

Gonna keep on walking now
Gonna keep on talkin' loud, yes I will
Gonna keep on singin' 'bout it, yes I will
Gonna keep on ringing out

Gonna keep on walking now, yes I will
Gonna keep on talkin' loud, yes I will
I'm gonna keep on singin' 'bout it, yes I will
Gonna keep on ringing out, yes I will, yes I will
