And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have know better not to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Time can never mend  
The careless whispers of a good friend  
To the heart and mind  
If your answer's kind  
There's no comfort in the truth  
Pain is all you'll find

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have know better not to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we wanna say

We could have been so good together  
We could have lived this dance forever  
But now who's gonna dance with me?  
Please stay

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have know better not to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have know better not to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should have know better not to cheat a friend
