True again
And blue again
I'm not happy
About this fate
Like I'm a flower
With no water
Got no water
I put the feelers out
Just to see if you were around
I was hoping
You could make it
Cause I'm fired up
Frustrated
Won't you meet me
Won't you meet me
We're gonna find a secret space

It's gonna be the perfect place
I swear it'll be a perfect day
Failed to make it
On a high rise naked
There was something
About those telescopes
Pointed at our higher hopes
And dreams
We're gonna find a secret space
It's gonna be the perfect place
I swear it'll be a perfect day
(J. Daruwala)
