-Skydiver  
Away again  
She comes to me  
With a gram and a grin  
My lover  
She knows how to pull my strings  
She says to me  
Move over and over and over and in  
Until you cry, dive  
Dive into the sky  
But you run to the man  
With the fire in his hand  
You give him every penny  
Till you're flying high  
Skydiver  
Walking away again  
Not feeling too good my friend  
Till you come in again  
Oooo  
There you go again  
You barely touch me  
And make a play again  
My lover  
She's flying high again

And I stand below  
To break the fall of your frustration  
I, try  
To give the Earth and sky  
But you sell it for a setting sun  
You bet it all on seven  
And you're giving up  
My time  
Taken away last night  
Feelling arrested  
While you were doing time  
My lover  
A sweet Melissa freed  
My freak of nature  
She keeps me on and up to speed  
Until she cries, lies  
Skies away from me

But the shine on your face is worn  
You yank the little chord  
But the chute is torn
