I didn't need it
I didn't need you at all
But I didn't fight it
I didn't fight you at all
No not at all but I-
(Take It Down)
I'm gonna take it down
I'm gonna land this thing
I'm gonna brace myself
While I'm taking it down-
To the city-
Down to the streets below
Down to the subway
Down where I can be alone
But then I find it
I find it down- deep inside
Whoa down inside
Where I'll take it-
(Take It Down)

I'm gonna take it down
I'm gonna land this thing
I'm gonna brace myself
While I'm take it-
(Take It Down)
I'm gonna take it down
I'm gonna land this thing
I'm gonna brace myself
Yeah, I'm taking it down-
Yeah, I'm taking it down
Breathe easy
It's all I ever had to believe
Reeling deep
It's really bleeding
I'm really needing more
It's more I need
For the crash and the fall
