Freaky at the top  
Of this world is you  
Why should I try so hard  
To end up like you  
Do I eat like you?  
Do I sleep like you?  
Do I breathe like you?  
Suffering the madness  
Are the puppets of croon  
Is this what I have, so far,  
To look forward to  
Want the real you  
It's the real me  
Do I fit the shoe?  
I know it's hard  
To find the bare naked truth  
I know it's hard  
But the trouble is you  
It's you  
Mugs and drugs  
Commercial plugs- they label you

Have your cake and eat it-  
I am following you  
Into the moon  
Into the gloom  
To don the shoe  
And I hung my neck  
So that you could use  
And I broke my back  
I can't go back into this room  
For the shoe- it's you  
I know it's hard  
Freaky at the top  
Of this world is you  
Have your cake and eat it-  
I am following you  
On to the moon  
Into the gloom  
To don the shoe  
(J. Daruwala)
