Have you ever been in love?

He's my best friend best of all best friends

Do you have a best friend too?

It tickles in my tummy he's so yummy yummy

Hey you should get a best friend too

hooha! hooha!

Hello, baby, can I see a smile

I'm going to a party, and it's gonna be wild

Can I come, I am sitting alone

No, friends are never alone

That's right!

Maybe some pretty girls are in your world

Excuse me, I could also be your girl

Lately, everyone is making fun

Na na na na na na na na na na na

He's my best friend, best of all best friends

Do you have a best friend too?

It tickles in my tummy, he's so yummy yummy
