I love your eyes, love your smile, love your funky hair
I love your walk, love your talk, and the things you dare
Love you, love you, yes I do
Love me not, or love me too
Honey, honey, peek-a-boo, I'm in love with you

Come, baby, tell me what you wanna do
Maybe we could get together soon
Baby, see the fire in my eyes
Yeah, you got me hypnotized
Earth, Wind, Water & Fire
Can't get in the way, when I'm running to you
'Cause I would ride through stormy weathers
Just to show you how much I love you
I love candy, I love sweets, maybe ice cream too
Gummi-bears and chocolate-hearts make me think of
you
Open, open Sesame
I've got goodies, come and see
Honey, honey, peek-a-boo, I'm in love with you
Come, baby, tell me where you wanna go
Maybe Paris, maybe Tokyo
Lady, see the fire in my eyes
Yeah, you got me hypnotized
Earth, Wind, Water & Fire
Can't get in the way, when I'm running to you
'Cause I would ride through stormy weathers
Just to show you how much I love you
