Space... The Final Frontier

E.T. is an alien, and he's kind'a spacy
Coming from the universe to party and go crazy
E.T. is an alien, and he's kind'a spacy
Coming from the universe to party and go crazy
Bow-wow-wow-yippie-yo, here we go!

Attention everyone, there's a party in your town
E.T is on the loose, and he's got it goin' on

Come do the E.T. dance, wiggle up your hands
He's everybody's friend, and loves to party
Come do the E.T. dance, wiggle up your hands
Everybody say yippie-yp and yippie-yeah!

E.T. is an alien, and he's kinda spacy
Coming from the universe to party and go crazy
E.T. is an alien, and he's kind'a spacy
Coming from the universe to party and go crazy
Bow-wow-wow-yippie-yo, here we go!

Ladies and gentlemen, it is dancin' shakin' time
So move from side to side, up and down and left to
right

E.T. is an alien, and he's kinda spacy
Coming from the universe to party and go crazy
E.T. is an alien, and he's kinda spacy
Coming from the universe to party and go crazy
Bow-wow-wow-yippie-yo, here we go!

E.T. is an alien, and he's kinda spacy
Coming from the universe to party and go crazy
E.T. is an alien, and he's kinda spacy
Coming from the universe to party and go crazy
