He was a six foot stallion, said a storybook thug
He was tha kind dat made u wonder how he put down
tha love
He had a hickey in his pocket, a phat rock in his ear
He made my heart start palpitatin everytime he came
near
He had a spankin new Range fo dat tight wardrobe
His pants was saggin, he was plaided n his head was
corn-rowed
He had his wrists bling-blingin n his long legs was
bowed
He tried to push up on me but I knew he had me at go

I do, I wonder if you feel tha same way I do
I can see it in your eyes I entice you
So come on shorty if you think you can roll
Wit an iced out playa ballin outta control

Cuz I do, I wonder if you feel tha same way I do
I can see it in your eyes I entice you
So come on shorty if you think you can roll
Wit an iced out playa ballin outta control
(Cuz I do)

It's time to activate my plan n give dis hottie a show
I shook my hips, took a dip, rolled my tongue 'cross my
lips
N when he took his place to dance wit me I felt
fingertips
On tha small of my back, so I had to react
Like I was playin hard to get n tol dat boi to step back
But when I looked deep in his eyes all I could see was
his soul
I'm bout to make dis guy my man... dat I can tell you fo
sho
