(Chorus)

It's a lot like,
Romeo and Juliet
It feels like,
Somethings happening to me. (x1)
Romeo and Juliet
In the summer time,
I met a guy
He was so fine
He blew my mind
My friends are tellin me
"Girl he's a loser"
But they can't see

(Chorus)

Romeo and Juliet (x2)
Helllloo
From the first time
I saw his eyes
There was sunshine
Everytime.
He walks into the room
I feel my heart go
Boom Boom Boom.

(Chorus)

Romeo and juliet (x3)
There was a time,
When I was young
And love it felt so strong
Now it comes back to me
What's going on
(Chorus x3)
