How gentle is the rain that falls softly on the meadow
Birds high up in the trees serenade the clouds with
their melodies

Oh, see there beyond the hill, the bright colours of the
rainbow.
Some magic from above made this day for us just to
fall in love

Now I belong to you from this day until forever,
Just love me tenderly and I'll give to you every part of
me.

Oh, don't ever make me cry through long lonely nights
without love.
Be always true to me, keep this day in your heart
eternally.
Some day we shall return to this place upon the
meadow.
We'll walk out in the rain, see the birds above singing
once again.

Oh, you hold me in your arms, and say once again you
love me,
And if your love is true, everything will be just as
wonderful.

You'll hold me in your arms, and say once again you
love me,
And if your love is true, everything will be just as
wonderful.
