(Verse 1)

Once I walked beside you
So in love were we then
It had always been that way
Since we were children
Then one day she saw you
Lied and flirted for you
Helplessly I watched her take your love away.
When she's not with you
She cheats and she enjoys two
How can I sit by and cry
While she destroys you?
Though you may not want me
My heart keeps repeating
Onward, onward, time to stop retreating...

CHORUS

Attack! (attack!)
Save the love we thought would live forever
Attack! (Attack!)
She wants me to run but I shall never
For all is fair in love and war
Your tender love I'll fight her for.

(Verse 2)

Once I gave to you
My love in sweet surrender
But when you are in
Her arms you can't remember
What am I to-oo do?
You say to me you love her
But for me no other boy compares to you.
All the dreams we shared
Are they to end in sorrow?
Shall I tell my heart
There's no hope for tomorrow?
Like a drum that's beating
My heart keeps repeating
Onward, onward, time to stop retreating...

CHORUS

(Verse 3)

Night shall find me praying,
God shall find me weeping
Till your loving heart
Again is in my keeping.
No, she can not have you
Not while my heart's beating
Onward, onward, time to stop retreating...

Chorus 2X and fade
