Boy of my life
Love of my own
Trust in me
And you'll not be alone

Let it be sure there is a heaven
So let it be I shall always love you
And if ever I seek out another
And you cry to me
That my vows were untrue

Then may my heart be cast into stone
And may the world go blank when I moan
And if I come to you beggin' your help
And forgiveness that I looked on
May I walk alone

Here in your arms
Kiss after kiss
I shall live just
For moments like this

And the more I said
"Be in pleasure"
Forever mine baby
Only for you
And if someday the voice of a stranger
Comes beckoning
And I say "We are through"

Then may my heart be cast into stone
And may the world go blank when I moan
And may I walk down the dark street of sorrow
Without you to take me home
May I walk alone

If the end of the Earth comes tomorrow
And we've only a moment or two
If you spend them alone and in sorrow
Cause I am afraid to die loving you

Then may my heart be cast into stone

And may the world go blank when I moan
And may I walk down the dark street of sorrow
Without you to take me home
May I walk alone

Then may my heart be cast into stone
And may the world go blank when I moan
And may I walk down the dark street of sorrow
