"Brown Chicken, Brown Cow"

Ooh

Bobby Joel and Betty got a real nice farm
Everybody knows that they work real hard
Bobby Joel sweatin' in the noonday sun
Betty right beside him 'til the work's all done

But every now and then they get a strong desire
To crawl up in the hay and set the barn on fire

Now the hay needs haulin', the ... needs stocked
The corn needs cuttin' but the tractor's stopped
They climbin' up the ladder, clear through the loft
Shooked those dirty ol' work clothes off

Singin' brown chicken, brown cow
(Ain't nobody watchin' but the)
Brown chicken, brown cow
Yeah

Black crow sittin' on a weather-vane
He can see 'em comin' from a mile away
Yeah, he's call-call-callin' out a loud alarm
Hey, ol' Bobby Joel and Betty headin' for the barn

Now the chicken ain't peckin' and the cow won't eat
They're fightin' each other for a front row seat

Now the hay needs haulin', the ... need stocked
The corn needs cuttin' but the tractor's stopped
They climbin' up the ladder, clear through the loft
Shooked those dirty ol' work clothes off

Singin' brown chicken, brown cow
(Ain't nobody watchin' but the)
Brown chicken, brown cow
Yeah

Now the hay needs haulin', the ... need stocked
The corn needs cuttin' but the tractor's stopped

They climbin' up the ladder, clear through the loft
Shooked those dirty ol' work clothes off

Singin' brown chicken, brown cow
(Ain't nobody watchin' but the)
Brown chicken, brown cow
(Ain't nobody watchin')

Brown chicken, brown cow
(Ain't nobody watchin' but)
Brown chicken, brown cow
Only one watchin', baby
(Ain't nobody watchin')
