Usually Im level-headed aint too excitable
Keep it on the slow and steady, Mr. Dependable
Always had the same job, the same look, the same
friends
Thats the way its gonna stay
Thats the way its always been

I never knew I had another side
But girl with you Im Jekyll and Hyde

[Chorus:]

When the lights are down low
And you nibble on my neck
I cant be held responsible
For what might happen next
No telling what Ill do
When I get you in my hands
With a woman like you

Im a dangerous man
Yeah Im a dangerous man

All the things I want to do
All the things I want to say
I never met anyone
Ever made me feel this way
Youre like a drug, baby
You make me crazy, honey
Make me want to rob a bank
And make love in the pile of money

Dont try to act all
innocent and sweet
Cause you know exactly what it is you do to me

[Repeat Chorus]

Im a fairly dangerous man

[Repeat Chorus]
