"Don't Mind If I Don't"

(feat. Trailer Choir)

Got a little shade, got a little sun
Got a long list of things to get done
Too bad
So sad

Got a little swing out on the porch
Old dog pantin' by the screen door
Wants to play catch
Go fetch

I got you here next to me
Head on my shoulder, hand on my knee
Tell me, girl, how am I supposed to leave
When you're lookin' like that?

Ohh, I keep thinkin' I might stay here
By your side and watch the green grass grow
Oh, oh, oh, oh, oh
I got places to be, people I need to see
Girl, I really should go

But don't mind if I don't
(Don't, don't mind)
Hope you don't mind if I don't
(Don't mind if I don't)

Got a little job, got a little box
Come tomorrow mornin', you will be ticked off
But that's alright
It ain't your first time

Got mail in the mailbox spillin' in the ditch
It's nothin' but bills and we ain't rich
So they'll have to wait
Probably already late

I got you here next to me
Rubbin' up against me in your cut-off jeans
Tell me, baby, how am I supposed to leave

When you're lookin' that way?

Hey, hey, I keep thinkin' I might stay here
By your side and watch the green grass grow
Oh, oh, oh, oh, oh
I got places to be, people I need to see
Girl, I really should go

But don't mind if I don't
(I don't mind if you don't)
Hope you don't mind if I don't
(Yeah, I don't mind if you don't)

Fence needs fixin', yard needs mowin'
(Yard needs mowin')
Hear the cell phone ringin', should I pick it up?

Don't mind if I don't
Hope you don't mind if I don't

Don't, don't mind if I don't
(Don't do nothin' but sip sweet tea)
(Thinkin' if she's lookin' back at me)
Hope you don't mind if I don't
...

Don't, don't mind if I don't
(Don't do nothin' I'm supposed to do)
(Maybe later break out the inflatable pool)
Hope you don't mind if I don't
(Sippin' somethin' wild for an hour)
Don't, don't mind if I don't

(Two, three, four)
Hope you don't mind if I don't
(Baby, all day long)

Don't mind if I don't
(I don't mind, you don't mind)
(She don't mind, he don't mind)
Hope you don't mind if I don't

(I don't mind, you don't mind)
(She don't mind, he don't mind)
Don't mind if I don't
(I don't mind, you don't mind)
(She don't mind, he don't mind)
Hope you don't mind if I don't

I don't mind, you don't mind
She don't mind, he don't mind

I don't mind, you don't mind
She don't mind, he don't mind
I don't mind, you don't mind
She don't mind, he don't mind

Got a little shade, got a little sun
Got a long list of things to get done
Too bad
