You're Sleeping Beauty when I wake you with a kiss  
And you're Scarlet O'Hara when your hands are on your  
hips

You're Marilyn Monroe when the wind blows your dress  
And you're I Love Lucy when your hair is all a mess

You're Thelma and Louise when you're behind the  
wheel

You're a Paris runway model when you're walking in  
high heels

And when I feel like Romeo, you're my Juliet  
Even if there's some of you I haven't met yet

I love every one of you  
The good, the bad, the funny  
The stormy, the sad and sunny  
I love every one of you

You're like an angel singing in this Sunday morning  
choir

And you're a midnight dream, cotton sheets on fire  
You're my doctor, you're my teacher  
You're the answers to my prayer  
You're a lover, you're a fighter  
You're my best friend, I swear girl

I love every one of you  
The good, the bad, the funny  
The stormy, the sad and sunny  
I love every one of you  
Yeah, you know I do

I love every one of you  
The moody, the sane, the crazy  
Can't get enough of you baby  
Every one of you  
Every one of you  
I love every one of you
